

Art Program – Level SLO

Art – Drawing and Painting

Upon successful completion of the Drawing and Painting program, students will be able to:

1. (Artistic Perception) Use the vocabulary of the visual arts to express their observations as they perceive and respond to works of art, objects in nature, events and the environment;
2. (Creative Expression) Apply artistic processes and skills, using a variety of media to communicate meaning and intent in original works of art;
3. (Historical and Cultural Context) Analyze the role and development of the visual arts in past and present cultures throughout the world, noting human diversity as it relates to the visual arts and artists;
4. (Aesthetic Valuing) Analyze, assess and derive meaning from works of art, including their own, according to the elements of art, the principles of design, and aesthetic qualities;
5. (Connections, Relationships, and Applications) Apply what they learn in the visual arts across subject areas; develop competencies and creative skills in problem solving, communication, and management of time and resources that contribute to lifelong learning and career skills; and identify careers in and related to the visual arts.
