

“Walk-In” Audition Policy

If you did not submit an online audition request, there is still a possibility you may have the opportunity to audition for one of the Grossmont Union High School District Honor Ensembles (Band & Orchestra).

The following guidelines will be adhered to as it pertains to the availability and scheduling of “Walk-In” auditions.

1. Arrive at the audition site (Cuyamaca College), locate the room where auditions for your instrument are being held, and sign up for an open audition spot **before** 6:00 PM.
2. Sign up for the **earliest available** audition spot. Adjudicators will move you up if this rule is not followed, and they will not be notifying you of that change.
3. Open audition spots are available on a first come, first served basis, and audition hours will not be extended outside the 6:00 to 9:00 PM window. Once all open spots have been taken there will not be any added.
4. Be ready and waiting outside your instrument’s audition room at least 15 minutes before your time.
5. Have your audition form completed, signed by both a parent/guardian and your director, and ready to turn in to your adjudicator at the beginning of your audition.

No Form = No Audition, No Exceptions
