

I am pleased to be running for Director of Public Relations. Being the Director of Public Relations one of my goals is to conduct research on how I can assist the students of Cuyamaca college with any concerns and expectations they might have. I am also a member of the Phi Theta Kappa Honor Society and Pathway Academy where I can form connections that will serve the ASGCC and the student body. Some qualities I can bring to ASGCC is that I am a hardworking and driven person and I will do everything in my power to accomplish my goals. I am knowledgeable about different social media platforms, therefore; as a Director of Public Relations I will use any form of media and networks to serve and inform the student body while continuing to uphold the ASGCC.
