Student Center, I-207

Presented by: Dr. John Escobedo, Director of Title V Activities

Américo Paredes tells the story of Gregorio Cortez, the man and the legend, in vivid, fascinating detail in "With His Pistol In His Hand." From this historical narrative, a unique study of a musical ballad evolved in the form of the corrido. Student Center, I-207

Presented by: James Diokno, Executive Director Barangay Arts & Cultural Movement (BACM)

Filipinos and Filipinas represent one of the largest Asian groups in the United States and the largest in California. Aside from their geographic location, people from the Philippines differ from other Asian communities in the United States for a number of reasons. This has called into question whether or not Filipinos should be included as a part of the generalized Asian experience in the United States.
