**COLLEGE FACILITIES  
 MASTER PLAN COUNCIL**  
*MEETING NOTES*

September 28, 2007

The regular meeting of the College Facilities Master Plan Council was held on Friday, September 28, 2007, at 2:00 pm, in Room F106.

**Members Present:** Geraldine Perri, Sal Espiritu, Jan Ford, Joe Marron, Henri Migala, Arleen Satele and David Suter

**Member(s) Absent:** Paul Boatner, Marvelyn Bucky, Cristina Chiriboga, Carol Lloyd, Brad Monroe, Madelaine Wolfe and Tony Zambelli

Vice President Satele opened the meeting with a PowerPoint presentation on Campus Signage. The college signage history was reviewed.

- 2001 – The original concepts were developed.
- 2005 – GCCCD interviewed signage designers. Selection was made for Harmon Nelson.
- 2006 – The College Facilities Master Plan Council Ad Hoc Committee was created.
- 2007 – Governing Board gave permission to award; advertise bid package; and approve shop drawings. Manufacturing began, and in December 2007 the new signage will be installed.

There was some discussion about monument signage, but we will have to wait for more funding to take on that project. The Signage Workgroup met this week. Installation will begin in the last week of November 2007. Copies of all of the proposed numbering/lettering were distributed to all members of the committee with a request to proofread the numbering and lettering for their building for accuracy before the next meeting. Please contact Vice President Satele with any corrections or questions.

There will be a Schedule Kickoff/Open House tentatively scheduled for Wednesday, November 14, 2007 from 5:00 – 8:00pm. At that time there will be an unveiling of the new room numbering. All Signage is ADA compliant with Braille lettering/numbering.

There was discussion about smoking areas on campus. We may need to move the smoking area next to the Student Center, and use the concrete tables from LRC for smoking areas.

 Kickoff/Open  
 House on  
 November 14

Smoking Areas

There is a proposal for a Cuyamaca College Rose Garden – the David Austin Rose Garden. David Austin is a renowned and established English rose nursery that has partnered with Balboa Park for creating and maintaining their rose garden. We may be able to extend it to our college. There was much discussion; the concept of rose garden was approved, we would just find the right location.

David Austin Rose Garden

The College Facilities Master Plan Committee members then adjourned for a pre-tour of the new Student Center at 2:50pm.
