Dear President Barnes,

College staff has informed the ACCJC that the College will be offering three new degree programs:

- Economics – Associate Degree Transfer

Based on the description Cuyamaca College has provided, these programs are not substantively new and will not necessitate a substantive change review by the Commission. Thank you for bringing this to our attention and please let us know if there are any changes in the information provided by the College.

On behalf of the Commission, thank you for your continued commitment to accreditation and academic quality in higher education.

Sincerely,
