## Vision

Learning for the Future

## Mission

The mission of Cuyamaca College is to serve a diverse community of students who seek to benefit from the college's wide range of educational programs and services.

In order to fulfill its commitment to student learning, success & equity, the college provides:

- ◆ Instructional programs that meet student needs for transfer education, career technical education, general education and basic skills courses
- ◆ Programs that promote economic, civic and cultural development

To facilitate this mission, Cuyamaca College provides a comprehensive range of support services including: outreach, access, student success and equity initiatives, academic and learning resources, student development programs, and multicultural and co-curricular activities.

In support of its mission, Cuyamaca College structures its planning processes and engages the college community by pursuing the following priorities, which form the foundation of the 2016-2022 Strategic Plan:

- ◆ Acceleration
- ◆ Guided Student Pathways
- ◆ Student Validation & Engagement
- ◆ Organizational Health

Dr. Julianna Barnes, Cuyamaca College President—Introduction

Dr. Darla M. Cooper, Interim Executive Director, RP Group

Dr. Darla M. Cooper is an educational leader and expert in research and evaluation dedicated to using inquiry, data, and evidence to improve the lives of all community college students. As the Director of Research and Evaluation for the Research and Planning Group for the California Community Colleges (RP Group), she oversees all the research and evaluation projects for the organization. Dr. Cooper has worked in the California Community College system for almost 20 years, having previously held institutional research director positions at Santa Barbara City College, Oxnard College, and Ohlone College. She led Student Support (Re)defined, a research project that examined what supports student success, and has been invited to present on this work at various venues across the state. Dr. Cooper is currently serving as one of the coaches for the American Association of Community Colleges' (AACC) Pathways Project, and on the advisory committee for the California Guided Pathways Project. Dr. Cooper holds a BA in Psychology from the University of California, San Diego, and an MSEd and EdD from the University of Southern California.
