CUYAMACA COLLEGE: DARE TO COMPLETE

Dear Students:

On behalf of the faculty, staff and administration at Cuyamaca College, I want to welcome you to our beautiful campus in Rancho San Diego. If this is your first semester here, you will soon discover what returning students already know: Cuyamaca College is one of the friendliest, most welcoming and supportive places you've ever known. I'm confident you will never regret your decision to enroll at Cuyamaca College.

Whether you're taking one or two classes for self-improvement, working on a certificate program, striving to earn your AA or AS degree, or preparing for transfer to a university, the people here will do everything they can to help you succeed. Please don't hesitate to ask for help in accessing the many services we have available to help you achieve your educational goals.

As you walk on the paved area of the campus just outside the Student Center, you may notice 13 words etched into the concrete. They are the values that make up "The Cuyamaca Way," and we

all try to live up to them every day. As you walk by those words – "beautiful, collaborative, dedicated, innovative, integrity, teamwork, vision, welcoming, student-centered, community, excellence, passionate, friendly" – think of them as a reminder of what we aspire to at all times at Cuyamaca College.

As a result of the passage of Proposition 30 by California voters last November, Cuyamaca College has finally been able to expand its course offerings after four years of devastating state budget cuts. Our situation is much better than it would have been had Proposition 30 failed, but we still are working our way back to offering all of the courses our students need to

complete their education. I urge you to be persistent, don't delay in taking the steps you need to get your courses, and never hesitate to speak up when you need some guidance or advice.

In addition to our course offerings, Cuyamaca College also provides a rich campus life. Be sure to explore our array of [student clubs and organizations](#), [athletics](#), [student government](#) and [campus events](#). It's a great way to become involved with the college, meet new people, and have some fun!

I'm sure you're going to have a wonderful experience at Cuyamaca College, one that you will look back at fondly for the rest of your life. Please let me know if there's anything that we can do to assist you. We're here to help.

ADMISSION AND REGISTRATION

ADMISSION REQUIREMENTS

Cuyamaca College strives to provide educational opportunities that meet the needs of the community. Anyone may attend Cuyamaca College if they have a high school diploma or the equivalent or are at least 18 years of age and have the ability to benefit from a community college experience. High school students who have completed the 10th grade and are at least 14 years old may also attend Cuyamaca College with permission of their parent and the high school counselor or principal.

ADMISSION APPLICATION

Applications are available online at www.cuyamaca.edu

REGISTRATION INFORMATION

REGISTRATION DATE AND TIME

All new and readmit students who apply by June 27, and all continuing students, will be sent a Registration Appointment. Those who apply after June 27 will be able to register during open registration. Students may register on or after their registration date and time.

REGISTRATION AND FEE PAYMENT DATES/HOURS

WebAdvisor availability: **Monday-Saturday, 7am-10pm**

INTERNET REGISTRATION AND FEE PAYMENT

Students may register via the Internet using **WebAdvisor** from Cuyamaca College's web page at www.cuyamaca.edu. Registration fees are expected at the time of registration. You will be held to all fees incurred. Students are dropped from classes for non-payment of fees. Failure to pay will result in a hold on your records. Refund deadlines vary by class; see page 2 and www.cuyamaca.edu/admissions/deadlines.asp. It is the student's responsibility to drop any classes that they do not plan to attend.

USER ID AND PASSWORD

Your User ID and Password are needed to access **WebAdvisor**. Your User ID is generally your firstname.lastname (all lowercase), and your password is initially your birth date (MMDDYY). You will be prompted to change your password the first time you log in.

PRIORITY WAIT LISTS

Wait lists for all classes begin the instant that classes close due to full enrollment. Once the class begins, wait lists are no longer available. Students cannot add themselves to a wait list before their registration appointment date. Students are added to the wait list for a

class on a first-come, first-served basis. If seats become available, the students on the wait list will automatically be enrolled into the class. Students will be billed immediately once the student is successfully registered into the class.

Students cannot be placed on a wait list for class if they are already enrolled in another section of the same class. Also, students cannot be placed on a wait list for more than one section of the same class. If a wait list is full, the student will not be able to add themselves to the list.

On the first day of class, instructors will determine the number of open seats. Spaces will be offered to students who are on the wait list in the order that names were added to the wait list. **Be sure to attend the first class meeting** to obtain an add code/authorization code.

WITHDRAWALS AND REPAYMENT OF FINANCIAL AID FUNDS

Effective July 1, 2000, students receiving federal financial aid who *withdraw from all of their classes during the first 60% of a term* may be required to repay a portion of the federal grants they have received. This is because a student must "earn" their financial aid. Financial aid is "earned" for each day you are enrolled in the semester. Students who stay in classes until 60% of the term is completed will not owe anything back to the federal government. **Please note: If you fail all of your classes in a term, you will have only earned 50% of the Pell and/or SEOG that you received and you will be billed for the amount you did not earn. This rule applies even if you were enrolled in classes for the whole term.** If you are required to repay funds to the federal government, you will be billed and will have 45 days to repay the funds in full. You will be ineligible for any further financial aid at any college in the United States until you have repaid the funds in full.
