CUYAMACA COLLEGE: LEADING THE WAY

Dear Student,

Welcome to Cuyamaca College, a college that many believe has the most beautiful campus in all of California. The college community is

exceptionally proud of our outstanding faculty and dedicated staff who are committed to academic excellence and ensuring that you successfully reach your educational goals.

All of us at Cuyamaca College are eager to help you have a positive and rewarding experience at our institution. We realize that the best way to place yourself on a successful personal and professional career path is to have a solid educational foundation. As Interim President and someone who is personally invested in your academic success, I would like to share some recommendations that I believe will help strengthen the foundation

that will enable you build your future at Cuyamaca College.

Have a Plan: California State Universities (CSU) and the University of California (UC) campuses are in the process of refining their admissions and transfer procedures. The changes related to transfer students being implemented by the CSU, and San Diego State University (SDSU) in particular, have the potential to significantly affect how students prepare for transferring. *As a result, I would like to urge you to make an appointment with a counselor as soon as possible to develop a solid, achievable educational plan.*

Plan ahead: Cuyamaca College is growing rapidly and we continue to reach record enrollments each semester. This means that there are more and more students seeking help from college services. To avoid inconvenience, delays and possible frustrations, as soon as possible take steps to meet with a counselor, complete financial aid applications, or arrange for help from a tutor.

Be patient: Even when you plan ahead, there will occasionally be long lines as you wait your turn. Patience, along with planning are virtues and good strategies to

get what you need to be successful.

Be persistent: Your success, both in college and outside in “the real world,” will greatly depend upon your attitude. We’re here to help you, but it always starts with you helping yourself. Be persistent and make sure to ask for what you need and wait for what you want.

Keep pursuing your dream! Your most difficult step is already behind you – making the decision to enroll in college classes. As a Cuyamaca College student, your success is extremely important to us, and we will do all we can to help you achieve your educational goals. You are in one of the most exciting times of your life, and we are grateful to be a part of it.

Thank you for allowing Cuyamaca College to be part of the path to your academic, personal and professional success. On behalf of the entire college community, I wish you a wonderful and exciting semester, and a bright, rewarding future!

Sincerely,

Robert Garber

Interim President

REGISTRATION AND FEE PAYMENT DATES/HOURS

WebAdvisor availability: **Monday - Saturday, 7am-10pm**

INTERNET REGISTRATION AND FEE PAYMENT

Students may register via the Internet using **WebAdvisor** from Cuyamaca College's web page at www.cuyamaca.edu. Registration fees are expected at the time of registration. You will be held to all fees incurred. Students are dropped from classes for non-payment of fees. Failure to pay will result in a hold on your records. Refund deadlines vary by class; see page 2 and www.cuyamaca.edu/cc/schedules.asp. It is the student's responsibility to drop any classes that they do not plan to attend.

USER ID AND PASSWORD

Your User ID and Password are needed to access **WebAdvisor**. Your User ID is generally your first name.lastname (all lowercase), and your password is initially your birth date (MMDDYY). You will be prompted to change your password the first time you log in.

PRIORITY WAIT LISTS

Wait lists for all classes begin the instant that classes close due to full enrollment. Once the class begins, wait lists are no longer available. Students cannot add themselves to a

wait list before their registration appointment date. Students are added to the wait list for a class on a first-come, first-served basis. If seats become available, the students on the wait list will automatically be enrolled into the class. Students will be billed immediately once the student is successfully registered into the class.

Students cannot be placed on a wait list for class if they are already enrolled in another section of the same class. Also, students cannot be placed on a wait list for more than one section of the same class. If a wait list is full, the student will not be able to add themselves to the list.

On the first day of class, instructors will determine the number of open seats. Spaces will be offered to students who are on the wait list in the order that names were added to the wait list. **Be sure to attend the first class meeting** to obtain an add code/authorization code.

CHANGES AFTER REGISTRATION

Once you have registered, you may change your schedule by adding or dropping classes via **WebAdvisor**:

Before the class has started, you may:

- Add an open class.
- Drop a class.
- Add your name to the Priority Wait List if the class has closed.

Once the class has started, you may:

- Add with an Add Code obtained from the instructor by the 'use by' date on the Add Code label.

WITHDRAWALS AND REPAYMENT OF FINANCIAL AID FUNDS

Effective July 1, 2000, students receiving federal financial aid who *withdraw from all of their classes during the first 60% of a term* will be required to repay a portion of the federal grants they have received. This is because a student must "earn" their financial aid. Financial aid is "earned" for each day you are enrolled in the semester. Students who stay in classes until 60% of the term is completed will not owe anything back to the federal government. ***Please note: If you fail all of your classes in a term, you will have only earned 50% of the Pell and/or SEOG that you received and you will be billed for the amount you did not earn. This rule applies even if you were enrolled in classes for the whole term.*** If you are required to repay funds to the federal government, you will be billed and will have 45 days to repay the funds in full or to set up a repayment schedule. You will be ineligible for any further financial aid at any college in the United States until you have repaid the funds in full or you have set up a repayment schedule and make repayments according to the repayment schedule.
