5	Comment: The tutorials on Web Advisor for registering does not match some of the info on Web Advisor. The tutorial we watched seemed to be a few years old. It would be nice to be able to pay for and receive a parking permit in person, rather than having to wait for it to come in the mail.
6	None that I can think of.

8	Love everything they have to offer.
9	*Having the agenda included in the email would have been helpful. *Some info with diff speakers was repetitive. *I did not like "Down in Africa" and "Girls Just Wanna Have Fun" as the song choices. Not motivational or inspirational.
