

## Cuyamaca General and University Studies PLOs

Unit Name	PLO Name	PLO	PLO Status
PLO (CSU GE) - CSU GE Breadth	1-CSU GE Breadth	Exhibit proficiency in written communication in English.	Active
	10-CSU GE Breadth	Cultivate a lifelong understanding and development as an integrated physiological, social, and psychological being.	Active
	2-CSU GE Breadth	Exhibit proficiency in oral communication in English.	Active
	3-CSU GE Breadth	Analyze, criticize and advocate ideas and reach well-supported conclusions.	Active
	4-CSU GE Breadth	Show skills and understanding beyond the level of intermediate algebra, and apply mathematical concepts to solve problems.	Active
	5-CSU GE Breadth	Analyze and appreciate works of philosophical, historical, literary, aesthetic and cultural importance.	Active
	6-CSU GE Breadth	Reveal an historical understanding of major civilizations and cultures, both Western and non-Western.	Active
	7-CSU GE Breadth	Recognize the contributions to knowledge, civilization, and society that have been made by various ethnic or cultural groups.	Active
	8-CSU GE Breadth	Evaluate the basic concepts of physical and biological sciences.	Active
	9-CSU GE Breadth	Use the scientific method of inquiry and techniques to answer questions about physical and biological processes.	Active
PLO (CSU/UC GE) - IGETC	1-IGETC	Exhibit proficiency in written communication in English.	Active
	10-IGETC	Demonstrate proficiency in a language other than English equal to two years of high school study (IGETC-UC).	Active
	2-IGETC	Exhibit proficiency in oral communication in English (IGETC-CSU).	Active
	3-IGETC	Analyze, criticize and advocate ideas and reach well-supported conclusions.	Active
	4-IGETC	Show skills and understanding beyond the level of intermediate algebra, and apply mathematical concepts to solve problems.	Active

Unit Name	PLO Name	PLO	PLO Status
	5-IGETC	Analyze and appreciate works of philosophical, historical, literary, aesthetic and cultural importance.	Active
	6-IGETC	Reveal an historical understanding of major civilizations and cultures, both Western and non-Western.	Active
	7-IGETC	Recognize the contributions to knowledge, civilization, and society that have been made by various ethnic or cultural groups.	Active
	8-IGETC	Evaluate the basic concepts of physical and biological sciences.	Active
	9-IGETC	Use the scientific method of inquiry and techniques to answer questions about physical and biological processes.	Active
PLO (Gen Studies) - Business & Technology	1-General Studies (Business and Technology)	Contribute to an effective and ethical organization.	Active
	2-General Studies (Business and Technology)	Use information technology to support effective decision making in the business organization.	Active
	3-General Studies (Business and Technology)	Analyze markets, economic environments and associated trends at the macro and micro levels.	Active
	4-General Studies (Business and Technology)	Express and apply quantitative information in order to make sound decisions and solve problems in the business environment.	Active
PLO (Gen Studies) - Communication & Language Arts	1-General Studies (Communication and Language Arts)	Demonstrate the ability to write effectively.	Active
	2-General Studies (Communication and Language Arts)	Demonstrate the ability to locate relevant, reliable information and read it effectively.	Active
	3-General Studies (Communication and Language Arts)	Organize thoughts and ideas in both oral and written format.	Active
	4-General Studies (Communication and Language Arts)	Communicate effectively with diverse audiences.	Active
PLO (Gen Studies) - Humanities & Fine Arts	1-General Studies (Humanities and Fine Arts)	Analyze the principle elements of representative examples of art, architecture, literature, theater, philosophy, music, dance, film, or other relevant areas of cultural and/or intellectual creativity.	Active
	2-General Studies (Humanities and Fine Arts)	Demonstrate an awareness of the historical and philosophical contexts of representative areas, movements, media, works, or styles of cultural and/or intellectual creativity.	Active

Unit Name	PLO Name	PLO	PLO Status
	2-General Studies (Humanities and Fine Arts)		Active
	3-General Studies (Humanities and Fine Arts)	Employ the language, concepts and methods of interpretive criticism as applicable to the respective categories of human creativity.	Active
	4-General Studies (Humanities and Fine Arts)	When applicable, apply artistic processes and skills as a creative expression, using a variety of media to communicate meaning and intent in original works of art.	Active
PLO (Gen Studies) - Lifelong Health & Well-Being	1-General Studies (Lifelong Health & Well-Being)	Demonstrate an understanding of optimal health and fitness in daily life through informed decision-making.	Active
	2-General Studies (Lifelong Health & Well-Being)	Describe basic principles of nutrition.	Active
	3-General Studies (Lifelong Health & Well-Being)	Value the importance of physical activity through the lifespan.	Active
	4-General Studies (Lifelong Health & Well-Being)	Use the scientific method of inquiry and techniques to answer questions about physical and biological processes.	Active
PLO (Gen Studies) - Science & Mathematics	1-General Studies (Science and Mathematics)	Use algebraic methods to solve problems.	Active
	2-General Studies (Science and Mathematics)	Interpret basic mathematical models and draw inferences from them.	Active
	3-General Studies (Science and Mathematics)	Represent mathematical information symbolically, visually, numerically and verbally.	Active
	5-General Studies (Science and Mathematics)	Analyze basic concepts of physical and biological science to evaluate scientific information and solve scientific problems.	Active
PLO (Gen Studies) - Social & Behavioral Sciences	1-General Studies (Social and Behavioral Sciences)	Describe general principles of the political institutions and government of the United States.	Active
	2-General Studies (Social and Behavioral Sciences)	Demonstrate an understanding and appreciation of social, political, and economic institutions within a historical perspective.	Active
	3-General Studies (Social and Behavioral Sciences)	Evaluate the ways people act and interact in cultures, societies and social subgroups.	Active
	4-General Studies (Social and Behavioral Sciences)	Assess how social issues are influenced by geographical and historical processes.	Active
	5-General Studies (Social and Behavioral Sciences)	Apply knowledge of social and behavioral sciences theories and scientific methods in an assessment of real-world problems.	Active

Unit Name	PLO Name	PLO	PLO Status
PLO (Univ Studies) - Business & Economics	1-University Studies (Business & Economics)	Contribute to an effective and ethical organization.	Active
	2-University Studies (Business & Economics)	Prepare and analyze financial statements.	Active
	3-University Studies (Business & Economics)	Use information technology to support effective decision making in the business organization.	Active
	4-University Studies (Business & Economics)	Analyze markets, economic environments and associated trends at the macro and micro levels.	Active
	5-University Studies (Business & Economics)	Express and apply quantitative information in order to make sound decisions and solve problems in the business environment.	Active
	6-University Studies (Business & Economics)	Communicate clearly in the business environment.	Active
PLO (Univ Studies) - Communication & Language Arts	1-University Studies (Communication & Language Arts)	Demonstrate the ability to write effectively.	Active
	2-University Studies (Communication & Language Arts)	Demonstrate the ability to locate relevant, reliable information and read it effectively.	Active
	3-University Studies (Communication & Language Arts)	Organize thoughts and ideas in both oral and written format.	Active
	4-University Studies (Communication & Language Arts)	Communicate effectively with diverse audiences.	Active
PLO (Univ Studies) - Humanities & Fine Arts	1-University Studies (Humanities & Fine Arts)	Analyze the principle elements of representative examples of art, architecture, literature, theater, philosophy, music, dance, film, or other relevant areas of cultural and/or intellectual creativity.	Active
	2-University Studies (Humanities & Fine Arts)	Demonstrate an awareness of the historical and philosophical contexts of representative areas, movements, media, works, or styles of cultural and/or intellectual creativity.	Active
	3-University Studies (Humanities & Fine Arts)	Employ the language, concepts and methods of interpretive criticism as applicable to the respective categories of human creativity.	Active
	4-University Studies (Humanities & Fine Arts)	When applicable, apply artistic processes and skills as a creative expression, using a variety of media to communicate meaning and intent in original works of art.	Active
PLO (Univ Studies) - Science & Mathematics	1-University Studies (Science & Math)	Use arithmetical, algebraic, geometric and statistical methods to solve problems.	Active
	2-University Studies (Science & Math)	Interpret mathematical models such as formulas, graphs, tables and schematics, and draw inferences from them.	Active

Unit Name	PLO Name	PLO	PLO Status
	3-University Studies (Science & Math)	Represent mathematical information symbolically, visually, numerically and verbally.	Active
	4-University Studies (Science & Math)	Use the scientific method of inquiry and techniques to answer questions about physical and biological processes.	Active
PLO (Univ Studies) - Social & Behavioral Sciences	5-University Studies (Science & Math)	Analyze basic concepts of physical and biological science to evaluate scientific information and solve scientific problems.	Active
	1-University Studies (Social & Behavioral Sciences)	Describe general principles of the political institutions and government of the United States.	Active
	2-University Studies (Social & Behavioral Sciences)	Demonstrate an understanding and appreciation of social, political, and economic institutions within a historical perspective.	Active
	3-University Studies (Social & Behavioral Sciences)	Evaluate the ways people act and interact in cultures, societies and social subgroups.	Active
	4-University Studies (Social & Behavioral Sciences)	Assess how social issues are influenced by geographical and historical processes.	Active
	5-University Studies (Social & Behavioral Sciences)	Apply knowledge of social and behavioral sciences theories and scientific methods in an assessment of real-world problems.	Active
