GD Commendations:
- Increase in enrollment in courses.
- Efforts to update curriculum and course materials to meet industry standards
- While there are no full-time faculty member serving, there has been significant achievement due to the work of the adjunct faculty.

GD Recommendations:
- We look forward to hearing more about your updated curriculum and success rates.
- One of your better success rates is in the area of handson instruction, which mainly comes from the new labs. To continue to offer high quality experiences and meaningful experiments, the college must commit some monies for the replacement and the purchasing of new equipment
- For Q 18 and Q19 (DE Versus F2F) you state that DE course will always "lag behind" F2F. Is this an area of concern for department? Any plans to target DE?
- Q14 Can use data to improve equity in program.
- You state, "Establishing a consistent delivery by all instructors" is a way to improve success rates. Establishing a consistent delivery by all instructors Establishing a consistent delivery by all instructors
