

PROGRAM REVIEW STEERING COMMITTEE
Spring 2019
Comprehensive and Annual Update Feedback Report
Assessment Rubric

Overall Assessment Rubric:
(From CTC Program Assessment Rubric)

Initial:

- Program is not clearly or well aligned with the college mission and strategic plan
- The list of learning outcomes needs further development
- Program is unable to justify the need for growth or further development
- Enrollment and/or graduation are trending downward
- Program has not articulated clear SLOs/PLOs/ILOs and/or assessment of SLOs/PLOs/ILOs.

Evolving:

- Program is somewhat aligned with the college mission and strategic plan
- Program has learning outcomes but has not yet defined assessment or has not acquired assessment data
- Program has some reasons justifying need or opportunity to grow program. Enrollment and graduation are stable

Established:

- Program mission is well-aligned with the college mission and strategic plan; many of the goals and the objectives of the strategic plan are manifest in the program
- Program has learning outcomes, a plan for assessment, has gathered data, and has used the data to improve the program
- Program has strong data that supports growth or further development
- Enrollment and/or graduation are trending upward
