PRESIDENT'S MESSAGE:

Cuyamaca College "Leading the Way"

As President of Cuyamaca College, let me be the first to welcome you to our beautiful college!

Our nearly 440 full time and part time faculty and over 100 caring and supportive staff members are dedicated to ensuring that you meet your educational goals. We currently offer 61 associate degree and 70 certificate programs. Cuyamaca College has been very successful in preparing students for transfer to both the California State University (CSU) and University of California (UC) systems, and to many private colleges and universities, as well as providing our students with an array of in-demand occupational and pre-professional programs.

Cuyamaca College has a well-deserved reputation of 'leading the way' – from developing the region's workforce to providing the highest quality instructional programs in some of the most beautiful and newest facilities. In the past two years, Cuyamaca College has opened a state-of-the-art Science and Technology Center, an award-winning Student Center, and a spectacular Communication Arts Center, which is quickly becoming the center of arts and culture in East San Diego County. Currently, the college is in the process of constructing its fourth new facility – the Business and Technology building. These new and welcomed additions are being complemented by a host of facility renovations and overall campus improvements such as ample parking, easily accessible walkways, and convenient signage.

Additionally, the college is encircled by a protected nature preserve which makes up nearly 30% of the college campus. As well, students attending Cuyamaca College also enjoy spending time at the Heritage of the Americas Museum and the Water Conservation Garden, both located on the college's grounds.

As a Cuyamaca College student, your success is critically important to us, and we will do all we can to help you achieve your educational goals. I strongly encourage you to take advantage of the expertise and services of our friendly and available counselors who can provide you with many worthwhile tips on how to make the most of your educational experience here at Cuyamaca College. Nothing is more important to us than facilitating your academic, personal and professional goals.

Thank you for allowing Cuyamaca College to help you on your path to academic and professional success. On behalf of all the faculty and staff, I would like to express our best wishes for your educational pursuits as you lead the way to your own personal successes!

Sincerely,
