- Interest in networking

8

IMPORTANT ITEMS

- Read the course syllabus!

  - Class schedule--what is covered during the week

  - LabSim Network Pro Grading Document--tells you what assignments are required and which ones are optional

    - Always link to LabSim assignments from within Canvas--if you do not your scores will not be recorded in the Canvas gradebook

- Purchase LabSim Network Pro (instructions are contained in the Start Here! module of the course Modules tab in Canvas

- The class Canvas site will be available on the first day of the semester

- I will send an email on the first day of the semester with additional information

COURSE POLICIES

- Keep up with course material
  - Do not fall behind on work
  - Login to Canvas at least once per week
    - Just logging in to LabSim does not satisfy attendance policies
  - Keep in contact with instructor
  - <u>Remember!</u> Your graded materials are only available for limited periods of time—see course syllabus for further information

START THE CLASS!

- Review the course syllabus each week
- Complete all assignments on time
- Keep in contact with me
  - Respond to emails
  - Call, email, or stop by
    - If you have any questions
    - Want to talk about CIS
    - If you get lost!
- See you online!
