If you would like to schedule this course, select Add Section. If not, select Close and repeat the previous steps until you have selected the course you want to schedule.

Selecting Add Section in the previous step only adds the course as a planned course. In order to complete the registration process, you must select Plan and Schedule from the Student Planning drop down at the top of the screen.

The course you previously planned should appear. If you are satisfied with this course, select Register.

If you have more than one course planned and you would like to schedule them all at one time, select Register ALL Scheduled Courses.

Registered courses will appear in green.

The screenshot shows the 'Plan & Schedule' page for Spring 2018. The course 'MATH-160-9970: Elementary Statistics' is listed as 'Registered' with a green checkmark. The course details include: Credits: 4, Grading: Graded, Instructor: Condon, S, 1/29/2018 to 6/4/2018. The meeting information shows two sections: one on Monday from 11am to 12pm, and another on Wednesday from 11am to 12pm. Both sections are highlighted in green. A 'Drop' button is visible under the meeting information.

**How to drop a section:**

If you decide to drop a course prior to the semester start date, select Drop.

This screenshot is identical to the one above, but with a red arrow pointing to the 'Drop' button in the 'Meeting Information' section. A red line also extends from the 'How to drop a section:' header to the 'Drop' button.
